PRODUCT: 02-20 Series

DESCRIPTION:

QUIKRETE® Color Flakes.
Component of --
02-50020 and 02-50050 Series Kits

FEATURES:

These decorative flakes serve to enhance the appearance of the surface and to mask any slight imperfections of the concrete on your newly painted surface. The color combination was carefully chosen to complement the paint color for a polished and eye-catching look.

Each bottle of Color Flakes covers about 250 sq. ft. depending on how heavily flakes are applied to each area.

DIRECTIONS:

See instructional DVD for detailed application instructions.

Apply only to wet paint.

It is important to spread the Color Flakes evenly over the entire surface. To ensure you can reach each area with the flake shaker, paint no more than a 2' x 6' size area, then stop and apply Color Flakes. Shake bottle lightly and allow flakes to fall naturally. Repeat these steps until you have finished the entire garage.

STORAGE AND DISPOSAL:

Unused flakes and their container may be thrown away. Do not reuse container.
